**United Kingdom-Winchester: Construction work for highways, roads
2019/S 159-391976**

Contract notice

Works

Legal Basis:

Directive 2014/24/EU

Section I: Contracting authority

I.1) Name and addresses

Hampshire County Council
The Castle
Winchester
SO23 8UJ
United Kingdom
Telephone: +44 1962832323
E-mail: procurement.partners@hants.gov.uk
NUTS code: UKJ3

Internet address(es):

Main address: www.hants.gov.uk
Address of the buyer profile: <https://in-tendhost.co.uk/hampshire>

I.2) Information about joint procurement

I.3) Communication

The procurement documents are available for unrestricted and full direct access, free of charge, at: <https://in-tendhost.co.uk/hampshire>
Additional information can be obtained from the abovementioned address
Tenders or requests to participate must be submitted to the abovementioned address

I.4) Type of the contracting authority

Regional or local authority

I.5) Main activity

General public services

Section II: Object

II.1) Scope of the procurement

II.1.1) Title:

Generation 4-TWO Civil Engineering, Highways and Transportation Collaborative Framework 2020–2024
Reference number: ET12813

II.1.2) Main CPV code

45233100

II.1.3) Type of contract

Works

II.1.4) Short description:

This framework is for the procurement and delivery of civil engineering, transportation and infrastructure development related construction work packages between a value of 50 000 GBP and 10 000 000 GBP, with an up to 250 000 GBP per call-off threshold for Early contractor involvement (ECI) call-offs.

The framework will cover the South of England and is split into 2 Lots, with Lot 1 covering Hampshire and the South East of England, and Lot 2 covering the South West.

This framework shall operate for 4 years from 1.4.2020.

Whilst the upper estimated OJEU threshold for the contract is 500 000 000 GBP over the 4-year life of the framework, there is no guarantee of any works being awarded. It is however envisaged that the annual throughput will be in the region 50 000 000 GBP per annum.

II.1.5) **Estimated total value**

Value excluding VAT: 500 000 000.00 GBP

II.1.6) **Information about lots**

This contract is divided into lots: yes

Tenders may be submitted for all lots

II.2) **Description**

II.2.1) **Title:**

Hampshire and the South East of England

Lot No: 1

II.2.3) **Place of performance**

NUTS code: UKJ

NUTS code: UKJ3

Main site or place of performance:
Hampshire and the South East of England.

II.2.4) **Description of the procurement:**

This framework is for the procurement and delivery of civil engineering, transportation and infrastructure development related construction work packages between a value of 50 000 GBP and 10 000 000 GBP, with an up to 250 000 GBP per call-off threshold for ECI call-offs.

This framework shall operate for 4 years from 1.4.2020 and is being procured by Hampshire County Council for its own use. However, 116 local authorities, 32 Universities, 51 NHS Trusts, 10 police authorities, 15 fire and rescue services, 4 ambulance service Trusts and maritime and coast guard agency have entitlement to procure works through this framework. Please refer to the link below for a list of the participating authorities.

<http://documents.hants.gov.uk/highways/participating-authorities-list.pdf>

Whilst the upper estimated OJEU threshold for the contract is 500 000 000 GBP over the 4-year life of the framework, there is no guarantee of any works being awarded. It is however envisaged that the annual throughput will be in the region 50 000 000 GBP per annum.

Works call-off contracts shall use the NEC4 Engineering and construction contract (ECC), options A-E, whilst ECI call-off contracts shall use the NEC4 professional services short contract. All call-off contracts shall be awarded through a standard mini-competition process.

The framework will include such elements as: civil engineering works, retaining walls and culverts, work on new/reconstructed/replacement highway structures, footway maintenance and improvement work, carriageway construction, carriageway surfacing, infrastructure installation, kerbing and paving installation, drainage and ducting installation, installation of traffic signs, installation of street furniture, including street lighting and traffic signal equipment, installation of vehicle restraint systems, soft landscaping and vegetation clearance, earthworks and embankment stabilisation, car park reconstruction and surfacing, works to access roads and other external works to public sector education and research property, traffic management and traffic management design, early contractor involvement, contractor design, bridge painting, building works associated with civil engineering projects, rail infrastructure works, airport works, sea defence and coastal works, river and canal works, flood defence works and construction of waste service facilities.

The framework agreement will operate with a maximum of 8 suppliers per lot.

II.2.5) **Award criteria**

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) **Estimated value**

Value excluding VAT: 250 000 000.00 GBP

II.2.7) **Duration of the contract, framework agreement or dynamic purchasing system**

Duration in months: 48

This contract is subject to renewal: no

II.2.9) **Information about the limits on the number of candidates to be invited**

II.2.10) **Information about variants**

Variants will be accepted: no

II.2.11) **Information about options**

Options: no

II.2.12) **Information about electronic catalogues**

II.2.13) **Information about European Union funds**

The procurement is related to a project and/or programme financed by European Union funds: no

II.2.14) **Additional information**

Please note that the field II.2.6 lists an estimated value for each lot. At present the figure provided is half of the total estimated value of the framework. It is not possible to provide a better estimation of the individual lot value at this stage, so, during the course of the framework the value of each lot may vary. However, the total framework value will not exceed 500 000 000 GBP.

It is not possible to provide a better estimation of the individual lot value at this stage, so, during the course of the framework the value of each lot may vary. However, the total framework value will not exceed 500 000 000 GBP.

Section III: Legal, economic, financial and technical information

III.1) Conditions for participation

- III.1.1) **Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers**
- III.1.2) **Economic and financial standing**
Selection criteria as stated in the procurement documents
- III.1.3) **Technical and professional ability**
Selection criteria as stated in the procurement documents
- III.1.5) **Information about reserved contracts**
- III.2) **Conditions related to the contract**
- III.2.2) **Contract performance conditions:**
Please refer to the procurement documentation.
- III.2.3) **Information about staff responsible for the performance of the contract**

Section IV: Procedure

- IV.1) **Description**
- IV.1.1) **Type of procedure**
Restricted procedure
- IV.1.3) **Information about a framework agreement or a dynamic purchasing system**
The procurement involves the establishment of a framework agreement
Framework agreement with several operators
Envisaged maximum number of participants to the framework agreement: 16
- IV.1.4) **Information about reduction of the number of solutions or tenders during negotiation or dialogue**
- IV.1.6) **Information about electronic auction**
- IV.1.8) **Information about the Government Procurement Agreement (GPA)**
The procurement is covered by the Government Procurement Agreement: yes
- IV.2) **Administrative information**
- IV.2.1) **Previous publication concerning this procedure**
Notice number in the OJ S: [2018/S 231-526875](#)
- IV.2.2) **Time limit for receipt of tenders or requests to participate**
Date: 23/09/2019
Local time: 14:00
- IV.2.3) **Estimated date of dispatch of invitations to tender or to participate to selected candidates**
Date: 31/10/2019
- IV.2.4) **Languages in which tenders or requests to participate may be submitted:**
English
- IV.2.6) **Minimum time frame during which the tenderer must maintain the tender**
Duration in months: 4 (from the date stated for receipt of tender)
- IV.2.7) **Conditions for opening of tenders**

Section VI: Complementary information

- VI.1) **Information about recurrence**
This is a recurrent procurement: no
- VI.2) **Information about electronic workflows**
Electronic ordering will be used

Electronic invoicing will be accepted
Electronic payment will be used

VI.3) **Additional information:**

The generation 4-2 civil engineering, highways and transportation collaborative framework 2020-2024 is being procured by the authority for its own use. However other authorities have entitlement to procure works through this framework. Please refer to the link below for a list of the participating authorities.

<http://documents.hants.gov.uk/highways/participating-authorities-list.pdf>

Interested parties should register their interest in the project via the In-Tend website <https://in-tendhost.co.uk/hampshire> and submit their Selection questionnaire (SQ) by 14.00 23.9.2019. Clarifications regarding the SQ must be submitted via In-Tend by 17.00 12.9.2019

How to obtain Invitation to tender (ITT) documents?

In order to view the tender advert and ITT documentation, please go to [https://in-tendhost.co.uk/hampshire/asp/](https://in-tendhost.co.uk/hampshire.aspx/)

The ITT documents can be accessed, only when logged into in-tend. If you are an existing supplier please log into the system. If you are a new supplier please make sure you register your company as an initial step on the in-tend website.

Select the tab 'Tenders' then select 'Current'. Search for the reference number on the left hand side of the page and press enter.

The tender advert will now be visible. To view the ITT documents, click the 'View Details' button. This will take you to a new screen, please click the express interest button. Once in the tender there are 5 tabs; 'Tender', 'ITT -documents', 'Correspondence', 'Clarifications' and 'History'. Select the second tab (ITT docs) where you will find useful information under 'Tender Details'. Continue to scroll down to the heading 'Tender Documents Received' where you will be able to view/download the documents.

Opting In and out:

Please note you are required to 'Opt In' before you can access the 'My Tender Return' to start populating your response.

The 'Opt Out' functionality will also be available throughout the duration of the tender process. Opting out will give you the option of declaring that you no longer wish to receive any further communication in relation to this tender along with the opportunity of providing feedback and comments for this decision. You may amend your decision to 'Opt In or Out' at any time during the tender process.

Further guidance:

In addition, guidance on how to participate in a tender — download and upload documents/returns and, if required, register your company (free of charge), can be found on the In-Tend website under the 'Help' or 'Information for Suppliers' buttons.

Receiving notification emails.

To ensure you receive email alerts and notifications from our system, please add the email domain '@in-tend.co.uk' to your safe senders list.

VI.4) **Procedures for review**

VI.4.1) **Review body**

High Court of England and Wales
London
United Kingdom

VI.4.2) **Body responsible for mediation procedures**

VI.4.3) **Review procedure**

Precise information on deadline(s) for review procedures:

As set out in the Public Contracts Directive 2014/24/EU.

VI.4.4) **Service from which information about the review procedure may be obtained**

VI.5) **Date of dispatch of this notice:**

16/08/2019
