Introduction

The Civil Engineering Contractors Association (CECA) is the representative body for companies which work day-to-day to deliver, upgrade, and maintain the country's infrastructure.

With more than 300 members based in Scotland, Wales, and the six English regions, CECA represents firms who, together, carry out an estimated 70-80 per cent of all civil engineering activity in the UK, in the key sectors of transport, energy, communications, waste and water.

The CECA (Southern) Lunch is the region's networking event of the year for contractors and not to be missed from both a personal and business perspective. This flagship event brings together over 400 people to celebrate the achievements both of our industry and the people who contribute so much to our success. The Lunch includes the presentation of the CECA (Southern) Training Awards – celebrating the remarkable achievements of the young women and men who are our rising stars.

Every business knows that event sponsorship can be a highly cost-effective and powerful way to promote your brand. It is the perfect way to directly reach and connect with your target audience in a unique and interactive way.

Sponsorship of the CECA (Southern) Annual Lunch 2020 puts your company in front of approximately 400 industry professionals, key clients and stakeholders, politicians and dignitaries – making it an invaluable channel to support your marketing strategy.
