

ICE South Branch Engineering Awards 2020 Individual Achievement Awards

Deadline: Friday 01 May 2pm

Awards will be presented on Thursday 4th June 2020

Individual Categories

Greatest Individual Contribution to the ICE, Branch and/or Civil Engineering

For an individual who has best demonstrated the professionalism and integrity of a civil engineer and ICE. We are looking for those who have gone above and beyond to advance the ICE and profession and share the value of Civil Engineering in the community.

Steve Tebb Award for Individual Excellence in Schools Outreach

The award honours ICE Members that have shown outstanding commitment to civil engineering by giving their time to represent the ICE and promoting the profession to inspire the next generation.

One to Watch for Young Professionals

This award is designed to recognise the most accomplished and promising young professional. It is open to Graduate Engineers, Apprentices and Technicians who have greatly contributed to the profession in the last 12 months.

ICE South Branch Engineering Awards 2020

Individual Achievement Award Application form

Please complete all sections of this form and submit it along with the required materials to See.awards@ice.org.uk before 2pm on Friday 01 May 2020. Please read through the award criteria before filling in this form.

Why you are nominating this person? (500 words)

Briefly explain how the individual you are nominating meets the judging criteria and highlight any other factors you consider relevant for assessment. Refer to the website for more details.

ICE South Branch Engineering Awards 2020

Strive to:

- Use non-technical language
- Explain how the judging criteria has been met
- Include testimonials/ references from colleagues
- Attach, where possible, evidence that supports the nomination (using text, graphics and high-resolution images, as appropriate) on no more than 500 words.

Judging criteria

A judging panel of senior ICE representatives will look for entries that clearly demonstrate how the individual has:

- Promoted civil engineering to the general public, young people and/or other professionals.
- Sought to develop and promote a culture of fairness and inclusion within their organisation
- Demonstrated integrity and professionalism in their employment and voluntary activities.
- Used their enthusiasm to inspire and motivate others
- Developed innovative practices or ways of working that have had a tangible effect on the industry.

Conditions of entry

- Entrants ensure that information provided in the entry is correct and approved as necessary. ICE SEE accepts no responsibility for the publication of inaccurate information supplied with the entry.
- Please note that ICE SEE will use the contact details provided to communicate with the entrant as necessary.
- Entry is conditional on entrants agreeing to cooperate with ICE SEE in obtaining publicity for the award, which may include allowing media access to spokespeople where necessary.
- Submission of an entry is taken to imply the granting of permission to publish all submitted details and material, including images. Material relating to successful entries will be retained for publicity and archive purposes.
- All images submitted must clearly show copyright and crediting details, otherwise ICE SEE will assume that none are needed.
- The decisions of the judges in all matters are final. Judges have absolute discretion to reject any entry which does not comply with the requirements of the rules.
- Feedback on entries will not generally be given except in exceptional cases and at the discretion of the judges.
- By applying for this award, you give permission for ICE SEE and ICE SEE's project partners to contact you regarding participation in relevant ICE SEE projects and initiatives to showcase inspirational engineering.
