Briefing Note

CECA Briefing:

HTMA Legacy Documents

Summary

Since the demise of the Highways Term Maintenance Association (HTMA) CECA has been asked to host a number of legacy documents from that organisation.

As part of its workstream, the CECA Highways Maintenance Group will be reviewing and updating these documents over the coming months.

The files are available to download in ZIP folders:

1. HTMA Legacy documents 1 - click [here](#).
2. HTMA Legacy documents - People & Careers - click [here](#).
3. HTMA Legacy documents - Project Case Studies - click [here](#).
4. HTMA Legacy documents - Health & Safety - click [here](#).
5. HTMA Legacy documents - Sustainability - click [here](#).
6. HTMA Legacy documents - Fatigue Risk Management - click [here](#).

If you have any further questions or would like to input any of your views on these legacy documents, contact CECA Director of External Affairs [Marie-Claude Hemming](#).
