

INDUSTRY DAY 2021

LENNOX
POINT

Find out more about Lennox Point, its innovative vision and priority themes, and how businesses of all types and sizes can get involved in one of the most ambitious mixed developments on the south coast of England.

This event will be the second industry event held by Portsmouth City Council to help promote future business opportunities with the Lennox Point regeneration programme. The first industry day was held in 2019 and provided information on the programme's vision and plans.

Two years on, the Lennox Point team would like to re-engage the market to:

- 1. Provide an update on the programme vision and status**
- 2. Tell you what and how we will be buying**
- 3. Let you know how your organisation can best prepare to get involved in the scheme as a potential supplier, investor or developer**

THURSDAY 23 SEPTEMBER
9.30AM – 1.00PM
12.30PM – 4.00PM

LAKESIDE NORTH
HARBOUR, PORTSMOUTH

Register your interest for the event at
