

## South Branch AGM and Technician Member Spotlight

6<sup>th</sup> October 2022 from 17.30 (refreshments) for 18.00

This year's ICE South AGM will be held hybrid at the University of Southampton's Boldrewood Campus

Join the ICE South Branch in person, or online, for our Annual General Meeting followed by a panel-based discussion on the current status and trends of Engineering Technician skills, career pathways, qualifications and progression opportunities

#### AGM:

- Review of branch activities and 2022-3 plan
- Election of committee members for the 2022-23 session
- 

#### TECHNICAN MEMBERS Panel Discussion:

- How are Technicians to maintain their skillset in an industry increasingly adopting new technology and software? How to be retain and attract Technicians to the ICE. How do we increase their representation? Should the Technician grade encapsulate a wider range of non-engineer grade professionals?
- Should Technicians take ownership of a forum that promotes their interests and highlights their important work?
- What training, knowledge and career progression opportunities should the ICE be promoting to its Technician members? Is there a content offer missing for prospective and experienced Technician members.
- Could Technicians have a greater involvement in the STEM programme.

#### Our Panel Members

- Malcolm Peake – ICE Membership Development Officer
- Andrew Abbott – EngTech MICE. ICE South Branch committee member & Snr BIM Designer
- Susan Hawkes EngTech MICE, South East Regional Council Member elect
- Ingrid Valceschini EngTech MICE, Senior Bridge Technician
