

Department
for Education

Strategic Development Fund

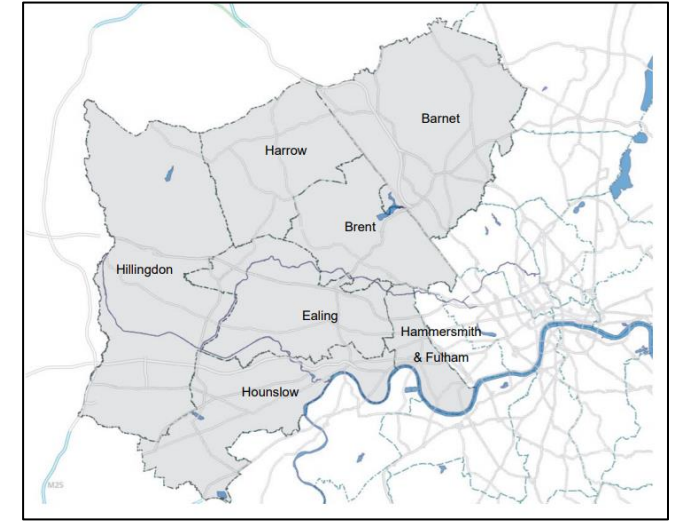

Summary

- Revenue funding £1.05m
- Capital funding £1.36m

- Focus on key immediate skills need in the local area and transformational changes needed in preparation for the roll-out of LSIPs

- SDF is aimed at developing collaboration between FE providers and expect alignment and coordination across activities individual providers undertake, examining how respective offers overlap or complement each other

- 7 boroughs within West London Alliance

- 7 FE colleges
 - WLC
 - WTC
 - HCUC
 - Stanmore
 - B&SG Coll
 - CoNWL
 - Capel Manor

- 1 ERB
 - West London Business

- 1 Sub-regional Partnership
 - West London Alliance

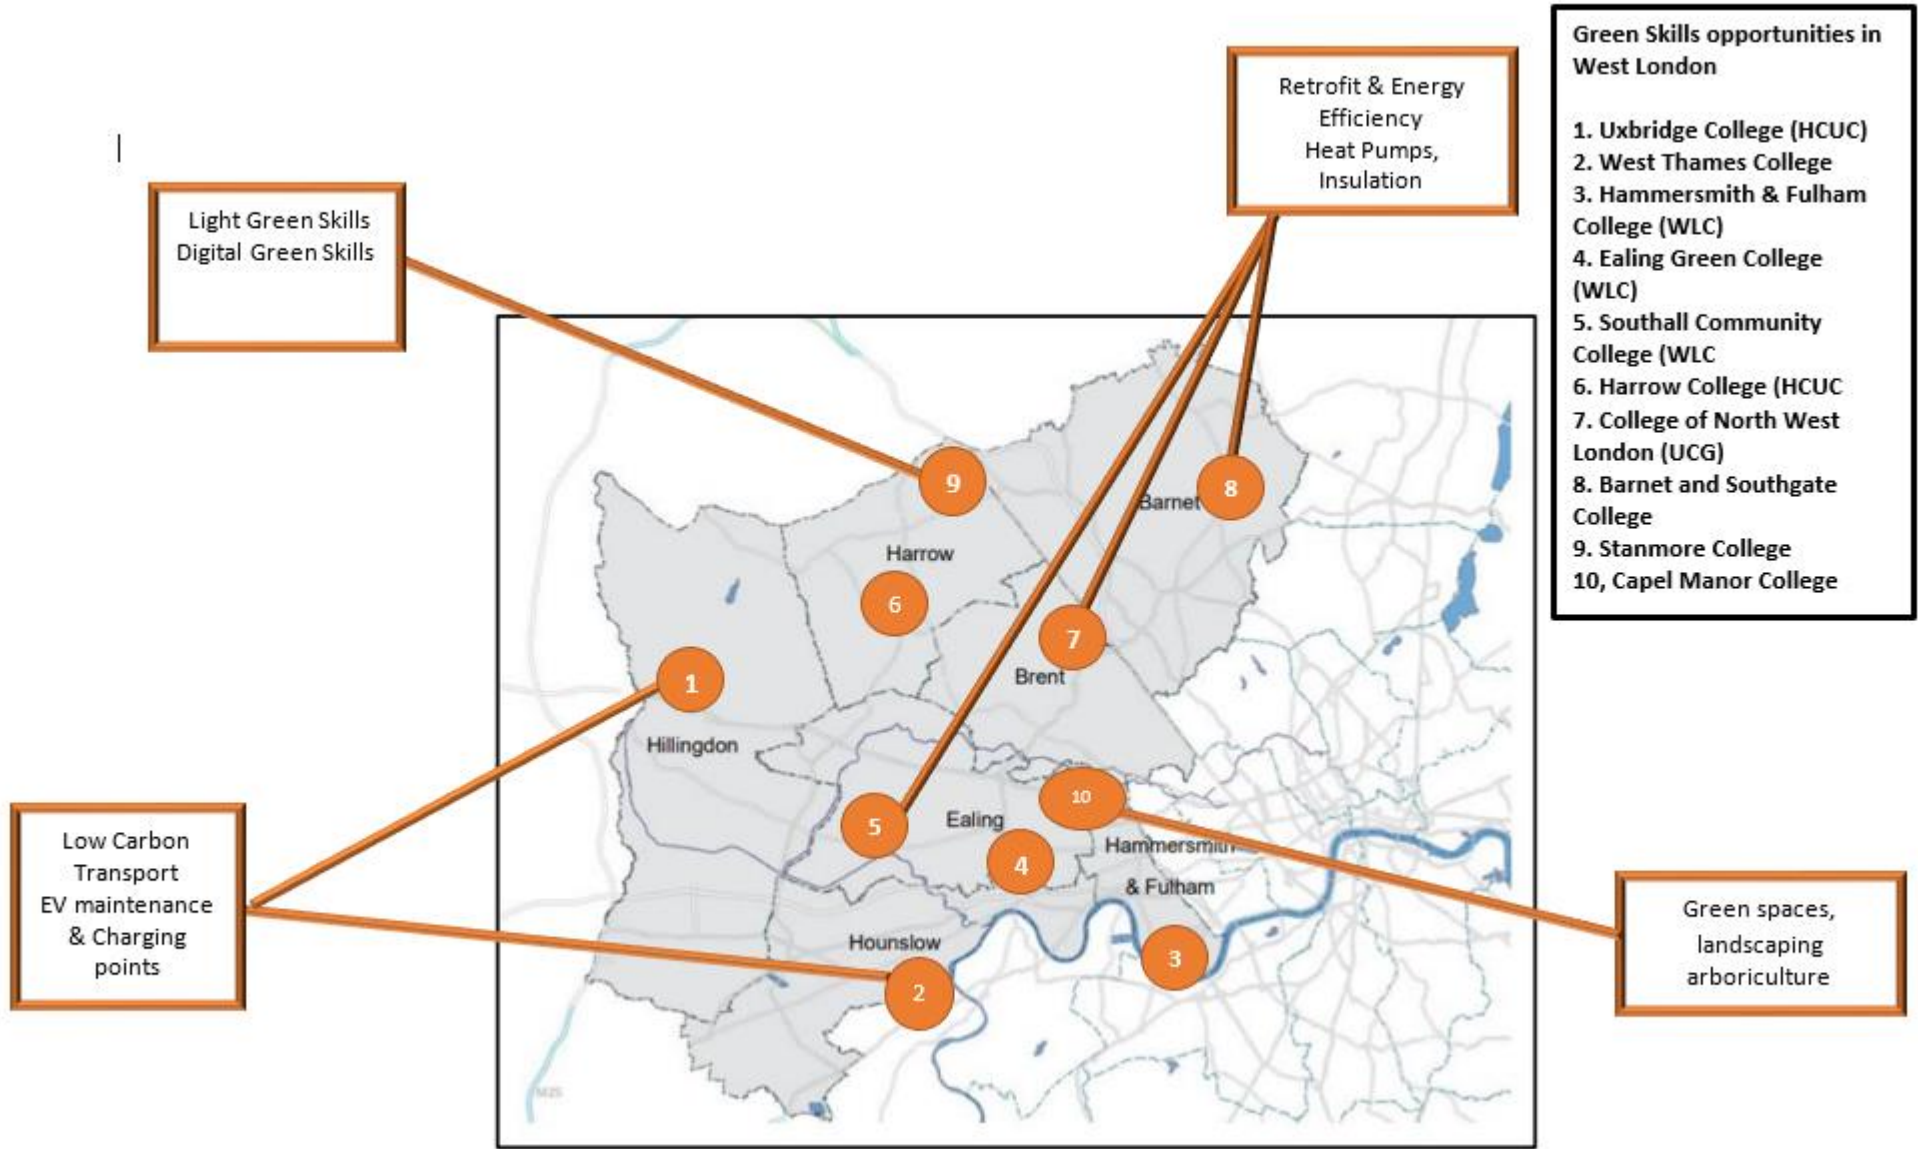

The Bid (Capital)

Each of the six colleges will develop a specialist 'demonstrator centre' that focuses on one of the green skills priority areas:

- Retrofit
- Energy efficiency
- Low carbon transport
- Digital and light green skills
- Green Spaces

The colleges will collaborate to set up hub and spoke facilities that avoid duplication and ensure there are no gaps in provision, working with lead employers in each sector to ensure value for money and the most suitable equipment is purchased.

West London FE College specialisms

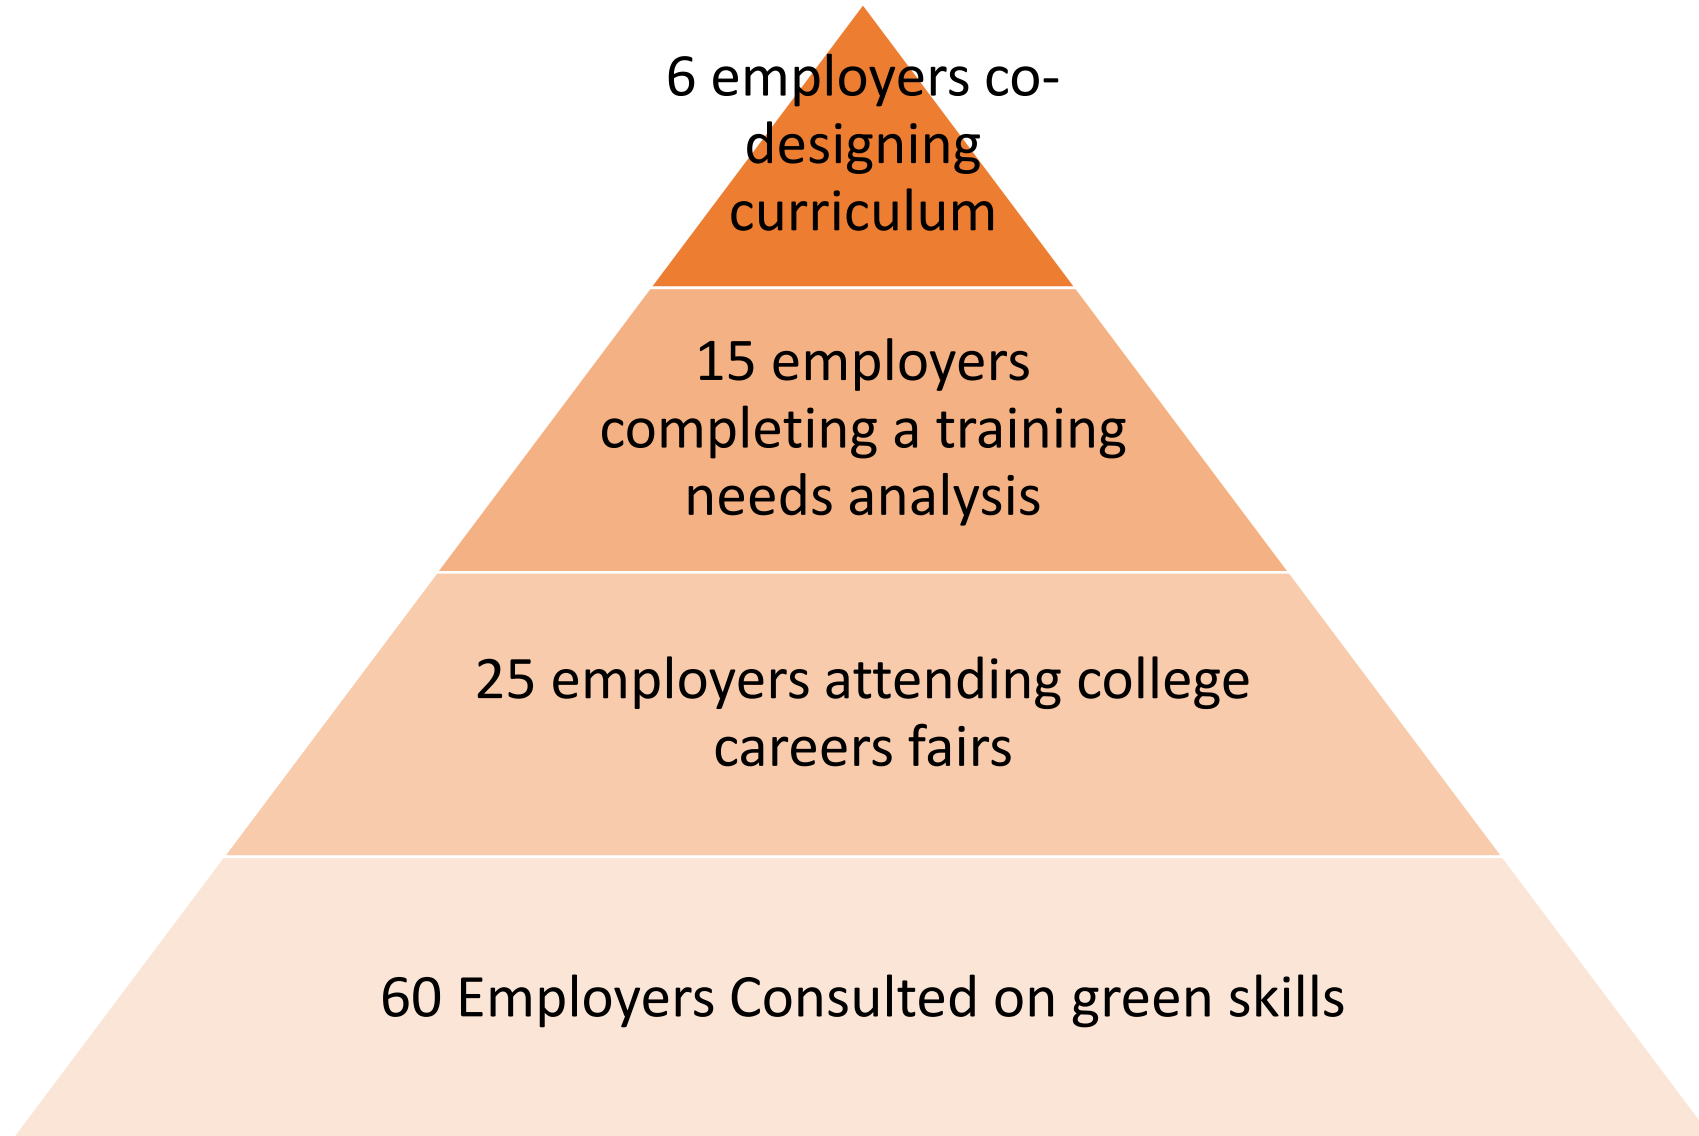

The Bid (Revenue)

- 1) Green Skills Training Needs Analysis toolkit for employers
- 2) CPD events, demonstrations, short courses and showcases for employers to upskill existing staff
- 3) Training and CPD for teaching staff in colleges
- 4) Course development, (including online content) meeting employer needs
- 5) Green skills Careers roadshow for young people and residents .
- 6) Incentive programme to attract those working in the trades to upskill and reskill to become teachers and trainers in the green skills sector
