

Sector Based Work Academy Programme (SWAP)

A FAST WAY INTO WORK: CONSTRUCTION SKILLS TRAINING plus flexible employment support

Unemployed? Need to get back into work or fancy a change of direction?

Construction remains a fast growing industry with a vast range of jobs on and off sites across our county. There really is something for everyone; and it's a perfect place to build a new career.

Our course can set you on your way back to a familiar industry or on to a bright new future.

In just a few days, your life will change: you've nothing to lose!

Who offers this?

The TCS* project is run by Hampshire County Council, in partnership with experienced, supportive training providers. Their construction skills courses have run for over 3 years and have ensured 2000+ individuals qualified for work in the construction sector.

Not sure about construction?

If you'd like to find out more about the world of construction before committing to a course, join our other course:

'Step Towards Construction'

- * Find out what's in the construction sector for you
- * Develop your employability skills
- * Build confidence in the CSCS and H&S L1 test language
- * Talk directly to employers, Q&A sessions

Our short FREE CSCS course is for you!

We provide:

- ⇒ Face to Face learning
- ⇒ 1-2 week courses
- ⇒ Guaranteed interview opportunity and support into work

Access to regularly updated job opportunities!

What's included?

- ⇒ Tutoring for Health and Safety (construction environment) Level1 and the CSCS card knowledge
- ⇒ H&SL1 testing and certificate
- ⇒ CSCS test and card (valid for 5 years)
- ⇒ Possible extra tickets funded, including Traffic Marshal or Working at Heights
- ⇒ Meet employers, interview opportunities and ongoing job search support via access to our employer network

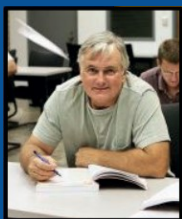

A dedicated Project Coordinator to guide you through the process and in to a job from start to finish

Extra opportunities

If you decide the construction world is not for you but want to get nearer to work in another sector, our Project Coordinators can help you with employability skill development, including:

- ⇒ Employability skills advice
- ⇒ Job search support
- ⇒ Signposting to training and career sectors other than construction
- ⇒ Signposting to self-employment support
- ⇒ Functional Skills courses (English, Maths, ESOL)
- ⇒ Childcare fee contribution while training
