SOUTH WEST

**Better Infrastructure - More Resilience -
Less Carbon Conference**

**21 October 2025, 9.00am-3.30pm,
Sandy Park, Exeter**

CECA South West is to hold a one day conference which will bring together policy makers, clients and contractors to focus on resilience in the construction industry. Refreshments & lunch will be provided.

Guest speakers will include Octopus Energy, Wiltshire Council, Babcock International, Kier, Environment Agency, Devon County Council, Tarmac, South West Water, Network Rail and National Grid. The keynote speaker will be Karl Tucker, Chair of Great South West.

Exhibitors will showcase the best the supply chain has to offer for improving resilience in new and aging assets and supporting industry efforts to decarbonise.

*This is a **FREE** event for both clients and contractors (open to CECA members and non-CECA members). To book your place contact lindaevans@cecasouth.co.uk.*
