Introduction

The **Civil Engineering Contractors Association (CECA)** is the representative body for companies which work day-to-day to deliver, upgrade and maintain the country's infrastructure.

With more than 300 members based in Scotland, Wales and the six English regions, CECA represents firms who collectively carry out an estimated 80 per cent of all civil engineering activity in the UK in the key sectors of transport, energy, communications, waste and water.

The CECA South West Lunch takes place on **Friday 2 October 2026** at **The Grand Hotel, Torquay** and is the region's networking event of the year for contractors, not to be missed from both a personal and business perspective. The event brings together over 200 people to celebrate the achievements both of our industry and the people who contribute so much to its success. The lunch includes the presentation of the CECA South West 'Young Achiever' Awards – celebrating the remarkable achievements of the young women and men who are the future of our industry.

Every business knows that event sponsorship can be a highly cost-effective and powerful way to promote your brand. It is the perfect way to directly reach and connect with your target audience in a unique and interactive way.
